Illini Impact

UIUC's efforts towards fostering UN's Sustainability goals

Presented by:
Aditya Patil, Indranil Mukte, Prisha Sharma
Renuka Annachhatre, Yash Oltikar

SUSTAINABLE DEVELOPMENT GOALS x I

The Big Question

How does the curriculum, spanning various colleges and departments at the University of Illinois, foster education and awareness of sustainability goals?

Let's explore the ETL data process flow:

① Data Gathering

iSEE

Course Explorer

ILLINOIS GREEN FUND — STUDENT SUSTAINABILITY COMMITTEE

ILLINOIS
DIVISION OF MANAGEMENT INFORMATION

② Data Extraction

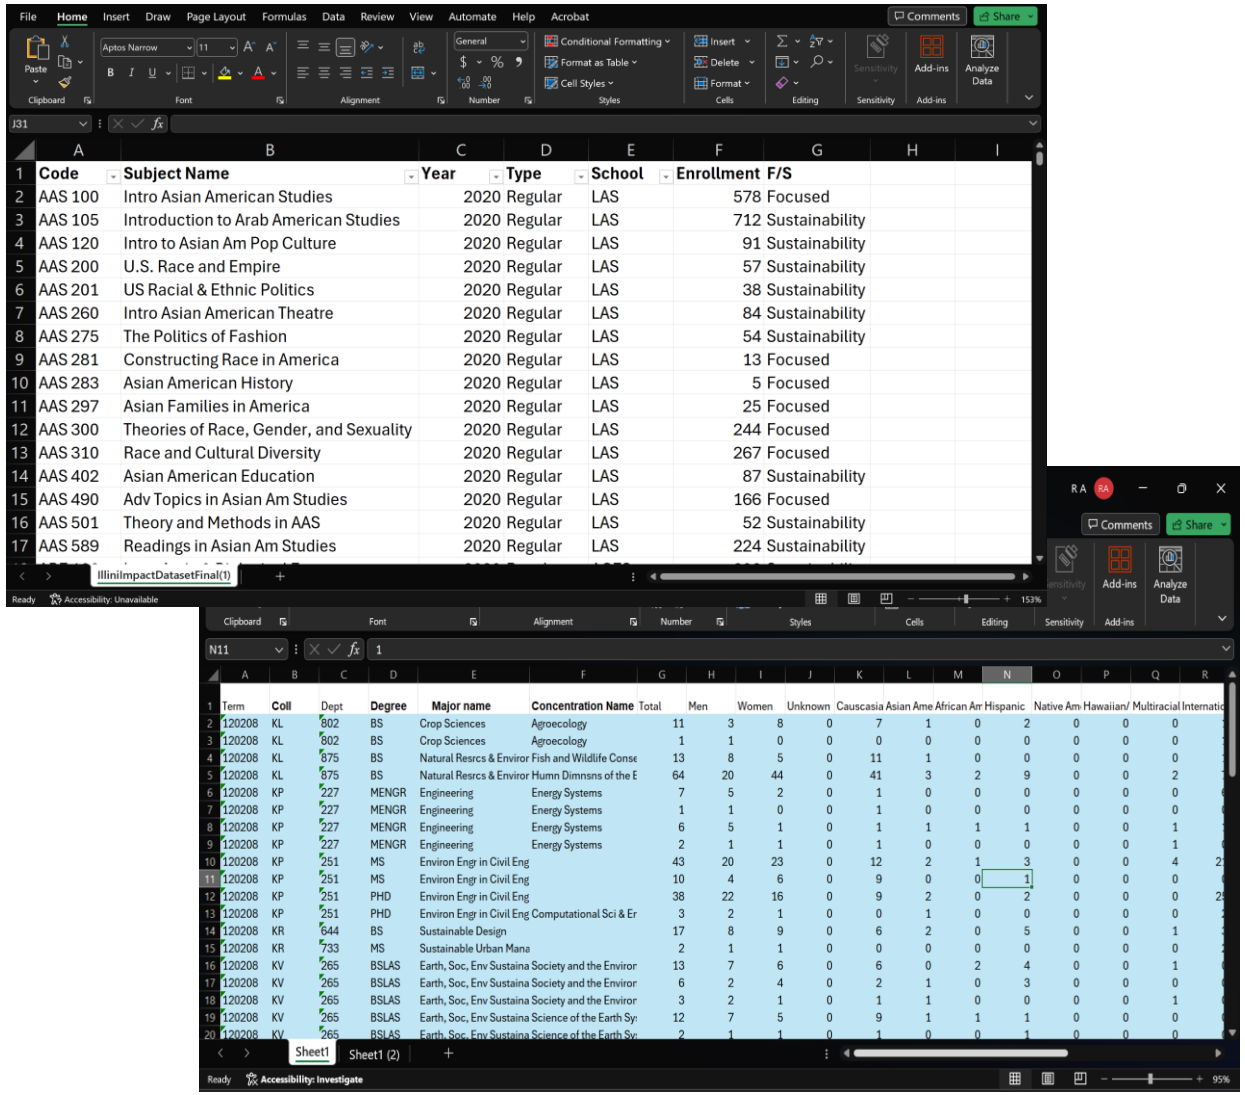
What does our **Data** look like?



Code	Subject Name	Year	Type	School	Enrollment	F/S
AAS 100	Intro Asian American Studies	2020	Regular	LAS	578	Focused
AAS 105	Introduction to Arab American Studies	2020	Regular	LAS	712	Sustainability
AAS 120	Intro to Asian Am Pop Culture	2020	Regular	LAS	91	Sustainability
AAS 200	U.S. Race and Empire	2020	Regular	LAS	57	Sustainability
AAS 201	US Racial & Ethnic Politics	2020	Regular	LAS	38	Sustainability
AAS 260	Intro Asian American Theatre	2020	Regular	LAS	84	Sustainability
AAS 275	The Politics of Fashion	2020	Regular	LAS	54	Sustainability
AAS 281	Constructing Race in America	2020	Regular	LAS	13	Focused
AAS 283	Asian American History	2020	Regular	LAS	5	Focused
AAS 297	Asian Families in America	2020	Regular	LAS	25	Focused
AAS 300	Theories of Race, Gender, and Sexuality	2020	Regular	LAS	244	Focused
AAS 310	Race and Cultural Diversity	2020	Regular	LAS	267	Focused
AAS 402	Asian American Education	2020	Regular	LAS	87	Sustainability
AAS 490	Adv Topics in Asian Am Studies	2020	Regular	LAS	166	Focused
AAS 501	Theory and Methods in AAS	2020	Regular	LAS	52	Sustainability
AAS 589	Readings in Asian Am Studies	2020	Regular	LAS	224	Sustainability

Variables used in the Visualizations

- Academic Year
- Degree (MS, PhD, BS)
- Major Name
- Total Enrollment
- Course Offerings
- Sustainability Development Goals
- University Departments (LAS, ACES, etc.)
- College Names
- Course Titles
- RSO Funding

Unpacking UIUC's Course Offerings. How many courses does UIUC actually offer?

155%
Increase in Sustainability Courses

6400+
Total Courses Offered in 2023

~13%
Of all courses offered related to sustainability

These figures underscore the university's emphasis on integrating sustainability education across its academic programs.

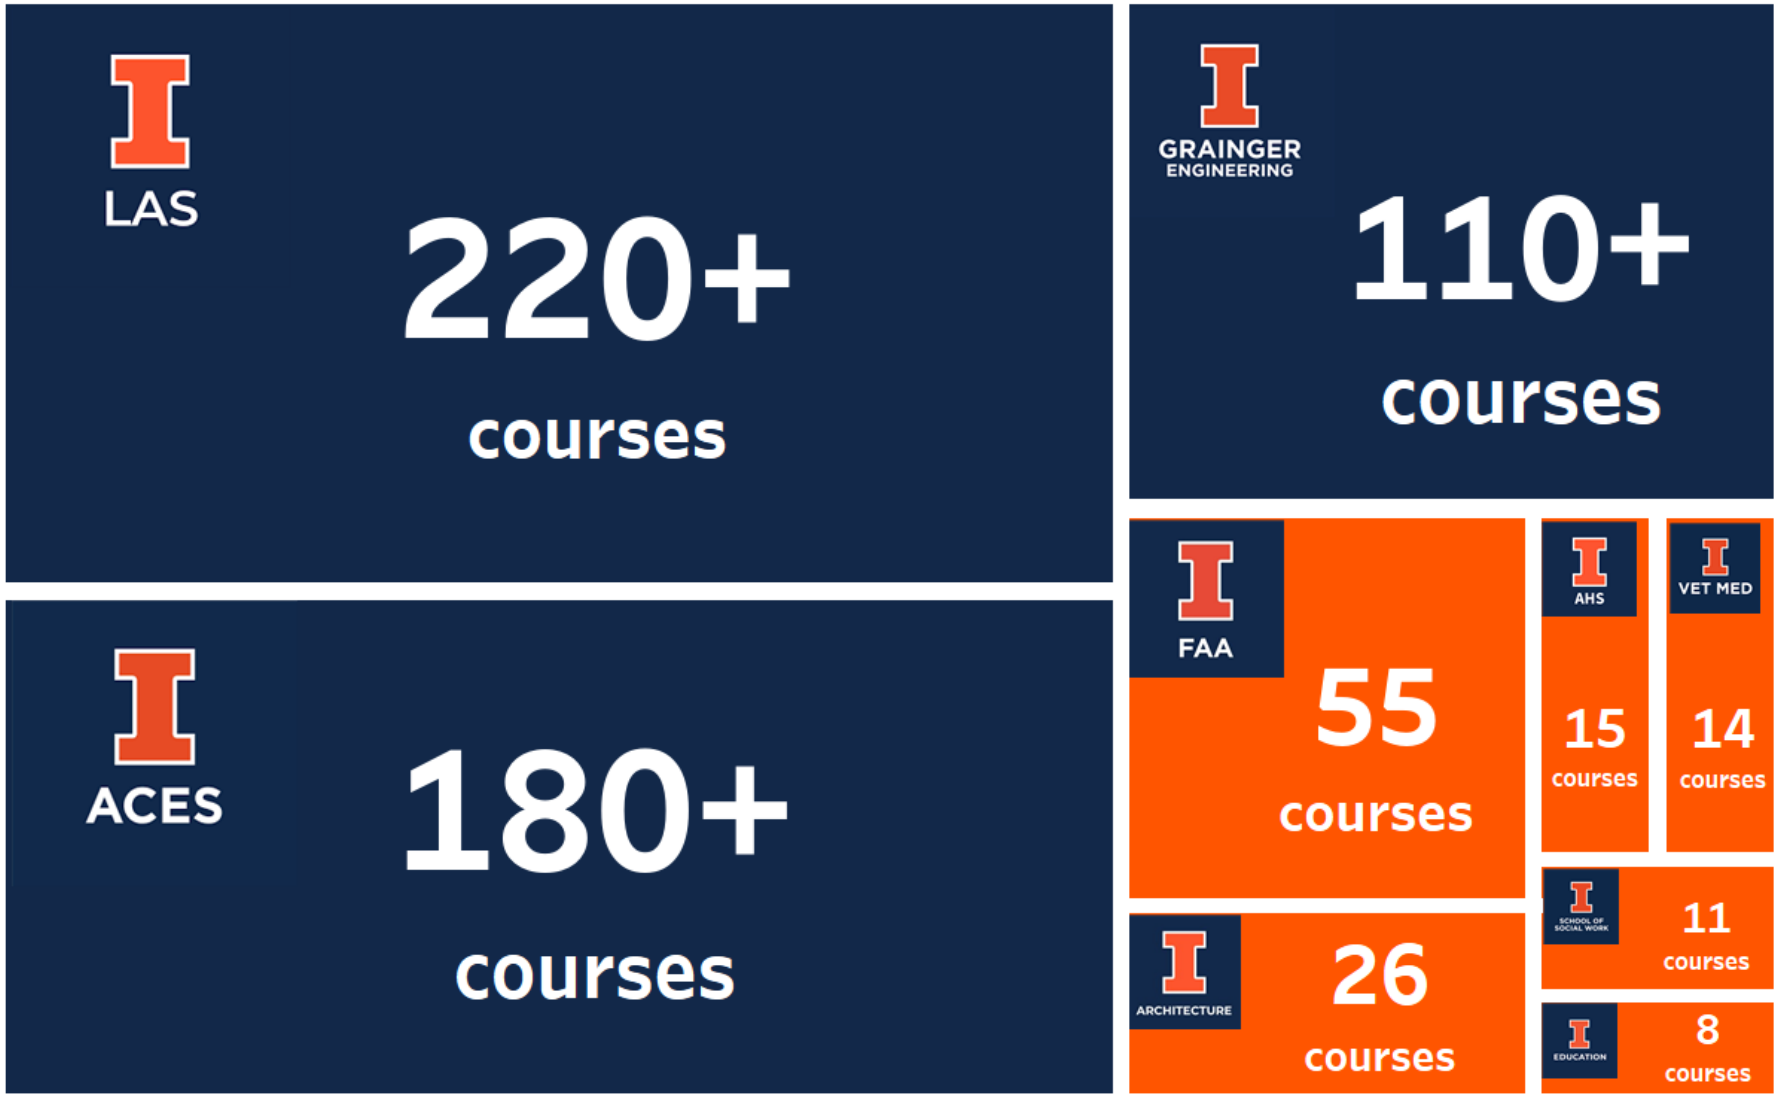
Did we have enough courses in 2023 aligning with the UN's 17 Sustainability Development Goals?

SUSTAINABLE DEVELOPMENT GOALS

Breakdown of Sustainability Focused Course Offerings by SDGs 2023

Snapshot of sustainability courses availability in 2023 broken down by colleges

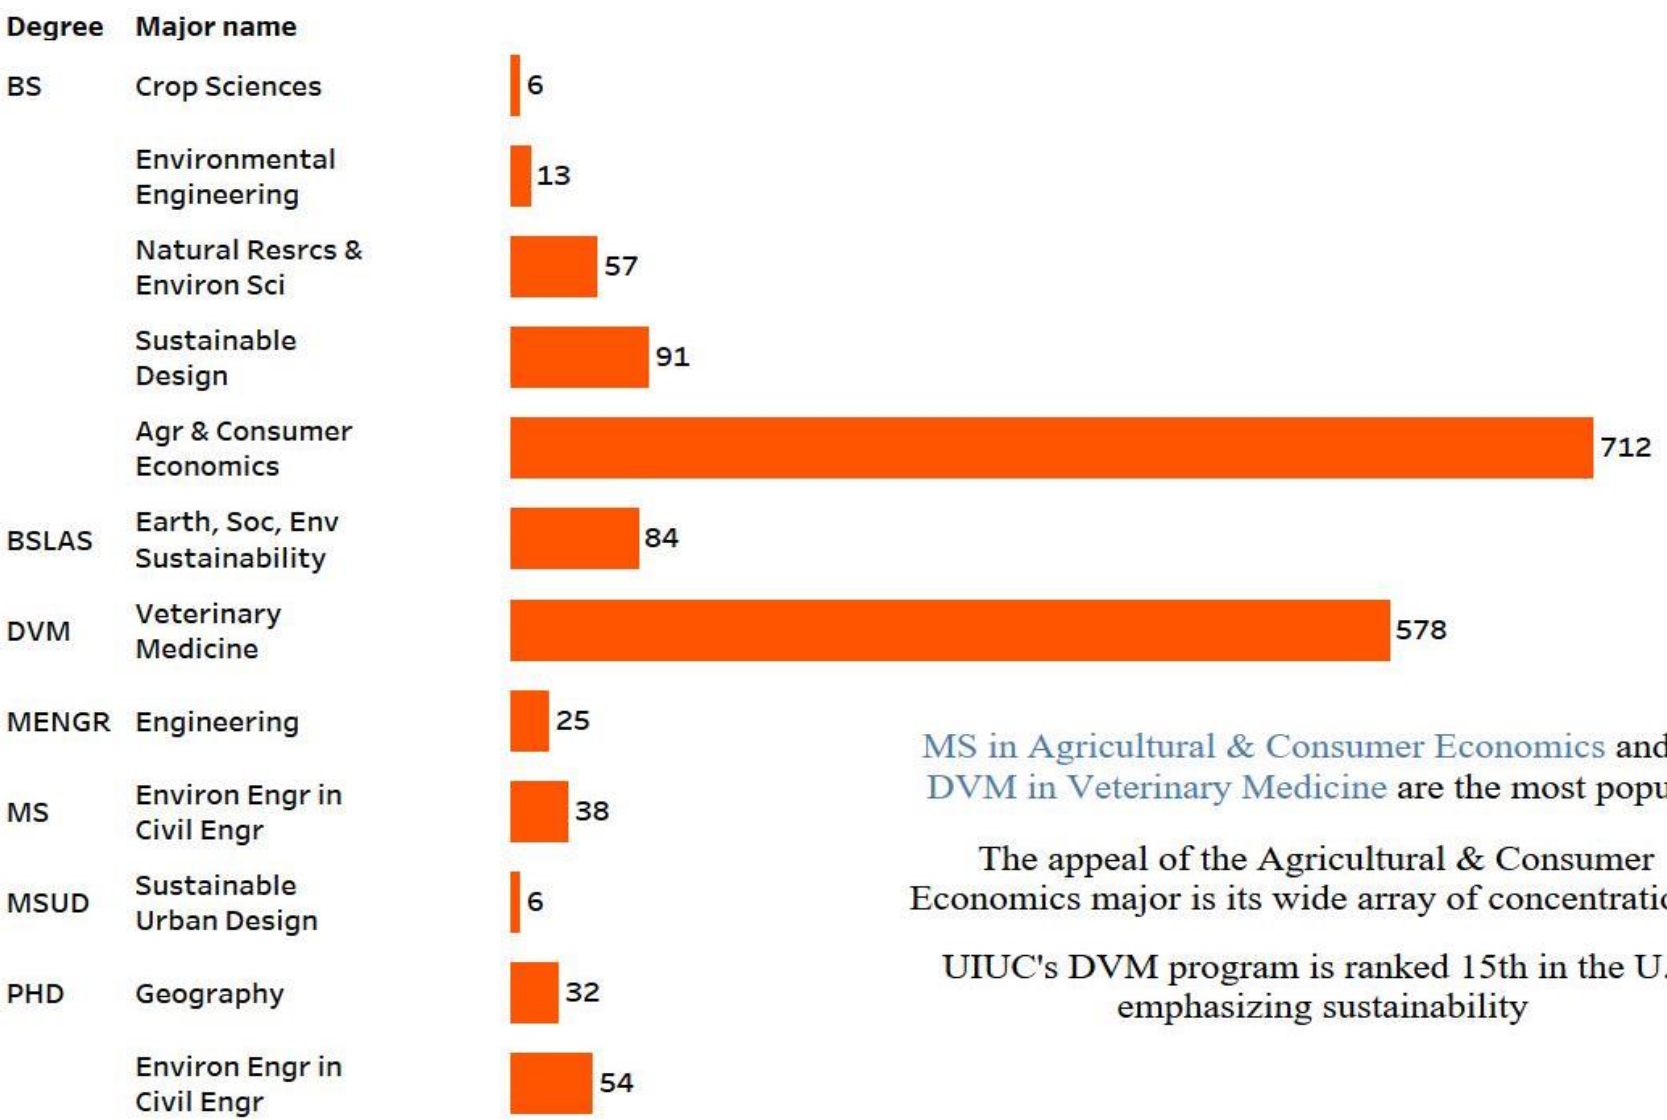


Top 3 colleges with most sustainability related courses: LAS, ACES and Grainger

College of Education, Vet Med and School of Social Work have <15 sustainability related courses

Snapshot of sustainability courses availability in 2023 broken down by colleges

Degrees related to sustainability offered in Fall 2023



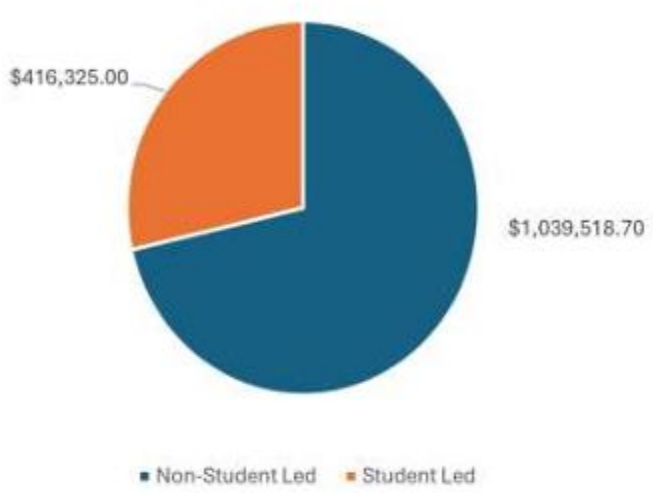
MS in Agricultural & Consumer Economics and the DVM in Veterinary Medicine are the most popular.

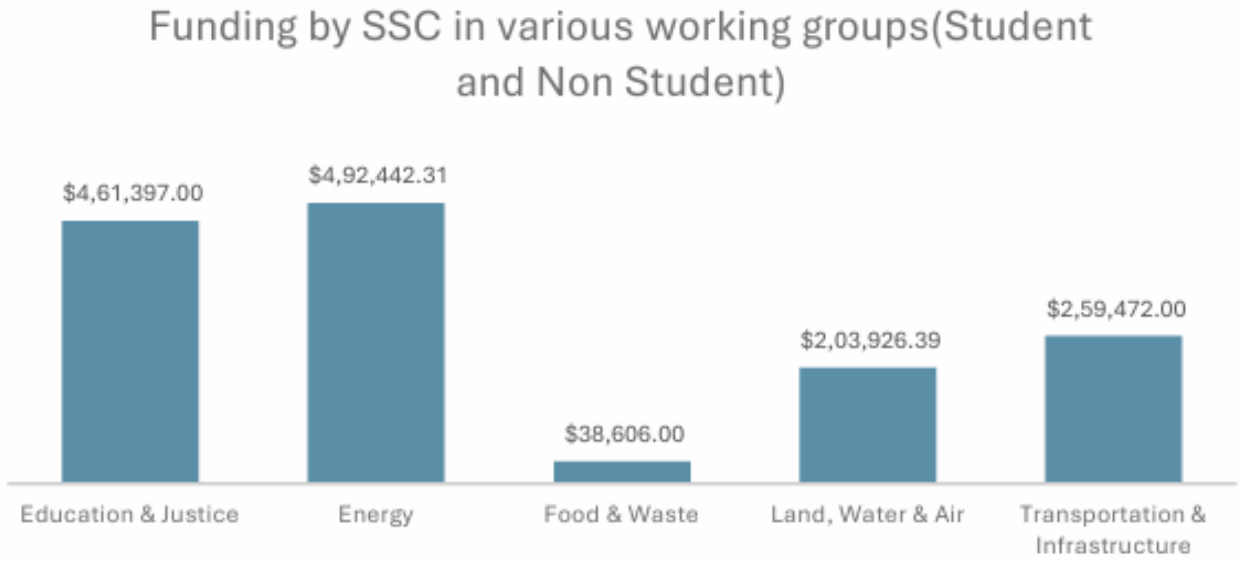
The appeal of the Agricultural & Consumer Economics major is its wide array of concentrations

UIUC's DVM program is ranked 15th in the U.S., emphasizing sustainability

Student Sustainability Committee and Funding

- SSC plays a pivotal role in fostering a culture of environmental care and responsibility on campus, allocating over **$1.5 million** annually towards environmentally impactful projects.
- Students as well as faculty/staff members can work on **5 different areas** of choice such as **energy, food & waste, land-water-air, education & justice, and transportation & infrastructure.**





Recommendations

- Align courses with SDGs
- Promote equity in course offerings
- Enhance outreach and engagement

Thank-you
